[PRESS RELEASE:] STALLER CENTER FOR THE ARTS UNVEILS STAR-STUDED FALL 2025 SEASON WITH KELLI O'HARA, BRIAN STOKES MITCHELL, LEANN RIMES, AND MORE

April 9, 2025 – This fall, the Staller Center for the Arts invites you to enjoy a vibrant mix of performances, offering something for everyone. The new season brings a diverse range of talent, from celebrated musical acts and internationally acclaimed dance ensembles to hilarious comedians and memorable family shows. As always, the Center remains dedicated to showcasing a wide variety of artists and creating lasting experiences for its Long Island communities. For the complete Fall 2025 schedule, click [here](#). The season goes on sale on May 2 at stallercenter.com, but Friends of Staller Members receive ticket discounts and presale access beginning April 28! To learn more, visit stallercenter.com/membership. Click [here](#) and join our mailing list to stay updated on all things Staller.

UPCOMING EVENTS

7 Fingers in Duel Reality

April 11 and 12, 2025, at 8 pm

The 7 Fingers return to the Staller Center with [Duel Reality](#), a mesmerizing blend of circus, theatre, music, illusion, and dance. Set against a Romeo-and-Juliet-inspired backdrop, this thrilling production features daring challenges, death-defying acrobatics, and a powerful love story that will leave audiences of all ages in awe. Click [here](#) to watch a preview.

Emerson Legacy Series – Goerke/Watkins

April 14, 2025 at 7 pm

The [Emerson Legacy Series](#) presents an intimate evening of classical and cabaret music, featuring former Emerson String Quartet cellist Paul Watkins on piano and Metropolitan Opera star Christine Goerke. Joined by fellow quartet members Eugene Drucker and Larry Dutton, the duo will deliver a unique blend of classical and cabaret styles. Click [here](#) to watch a preview.

Paul Taylor Dance Company

May 3, 2025 at 8 pm

The [Paul Taylor Dance Company](#), a global leader in contemporary dance, takes the Main Stage with a dynamic mix of iconic classics and exciting new works.
