Study Abroad and Exchange

SUMMER 2015 IN

ROME, ITALY

July 4 - August 1

Stony Brook
University

www.stonybrook.edu/studyabroad

"Summer in Rome was the main reason for my participation on three additional Stony Brook programs during my undergraduate career. This impressive program is the gateway to an array of experiences and opportunities that will last long after your jet lag fades."

"The Rome program took me to new levels culturally, visually, and socially. Everywhere we went, from the Trevi Fountain to Capri and Venice during the Festa del Redentore were stimulating, and every bus trip was a group adventure."

Program Description

SBU offers students the opportunity to study for four weeks in Rome, the eternal city, known for its classical architecture such as the Colosseum and The Forum. This study abroad program, established over 30 years ago, enables participants to gain first-hand knowledge of contemporary Italy while fulfilling Diversified Education Curriculum (DEC), upper-division, or major/minor requirements!

The curriculum offers students an understanding of Italian history, politics, and culture. In conjunction with classes, visits will be made to the city's artistic and historical landmarks such as St. Peter's Cathedral and Piazza di Spagna. Planned group excursions include Venice, Assisi, Florence, Naples, Capri, Pompeii, the Amalfi Coast and Tivoli.
